

Horizon Laser DPX-D3015 Laser cutting machine

Main configuration:

The main components	Brief description	Remark
Machine bed	Partition dust removal bed	Independent research and development
beam	One-piece cast aluminum beam	Independent research and development
Sheet metal	Single	Independent research and development
Z axis unit	Cast aluminum	Independent research and development
Fuji servo unit	FUJI	JAPAN
Linear drive system	HIWIN	Taiwan
rack/gear	YYC	Taiwan
Reducer	MOTOREDUCER	France
Drag chain system	X/Y/Z	China
X/Y/Z protective cover	Fireproof material production	China
Lubrication system	Centralized automatic lubrication system	China
system	Cypcut	China
computer system	Industrial computer/display
